### **About the Yenching Academy:**

Yenching Academy of Peking University offers an elite, interdisciplinary Master's program in China Studies. This specially designed, English-taught degree program aims to push the study of China beyond the boundaries of traditionally defined Humanities and Social Sciences disciplines. All Yenching Scholars receive a full fellowship that covers tuition, one round-trip journey to Beijing, basic insurance, and living costs.

Each year the Yenching Academy admits 120 scholars from 40+ countries and regions. In addition to coursework, scholars participate in field studies and self-designed research trips, taking advantage of opportunities to customize and maximize their experiences in Beijing, and within China's leading university.
